I, Manuel P. Zavala, having been duly sworn, do hereby depose and state:

1. I am a United States Postal Inspector, currently assigned to the Houston Division Office in McAllen, Texas. As part of my duties, I investigate the use of the U. S. Mails to illegally mail and receive controlled substances and drug trafficking instrumentalities, in violation of Title 21, United States Code, Sections 841 (a) (1), 843 (b), 846, 853 (a), and 881 (a) (6). I have received training in identifying suspect prohibited mailings in Basic Postal Inspector Training as well as in my division office.

2. Investigations by Postal Inspectors and other federal, state and local law enforcement officials indicate that the area of South Texas, sometimes referred to as "the Valley," is a significant crossing point for illegal drugs into the United States of America. The U. S. Postal Service is one of the means used for transporting both the illegal controlled substances and the money used to pay for those illegal controlled substances. Numerous parcels found to contain illegal controlled substances have been mailed from the Texas Rio Grande Valley for delivery in other cities in the United States.

3. From my training and experience, I know that illegal transactions in controlled substances are typically conducted with United States Currency. United States Currency is used to pay for illegal controlled substances because of the readily identifiable value and because of the difficulty in tracing currency transactions. As a result, large quantities of United States Currency are a "tool of the trade" of illegal drug trafficking and the presence of a large quantity of United States Currency is an indicator of drug trafficking activity.

4. The U. S. Postal Inspection Service conducts a continuous drug interdiction program at the McAllen, TX, Processing and Distribution Center. This affidavit is made in support of an application for a federal search warrant to search a United States Express Mail parcel, label number EB506820838US, identified on August 21, 2008, described as follows:

Addressee:	Juan Sandoval 3060 Del Mar Lane NW Apt A11 Atlanta, GA 30011
Return Addressee:	Tony's Auto Parts 3126 Military Way Brownsville, TX 78521
Postmarked:	August 20, 2008
Weight:	28 Lbs. 5 Oz.
Office of Mailing:	Brownsville, TX 78522

5. The return address on the parcel is fictitious. Jeff Jenkins, Postmaster, advised Postal Inspectors that the return address "3126 Military Way" does not exist in the City of Brownsville, TX.

6. It is the experience of your Affiant, as well as many other police officers engaged in the investigation of narcotic offenses, that the odor of the narcotic escapes from packages containing narcotics and money representing proceeds of narcotics, handled by narcotic dealers, will retain traces of the narcotic. Therefore, the odor of the narcotics in packages and on the currency is many times detectable by narcotic detection canines.

7. On August 22, 2008, the aforementioned subject parcel was exposed to a narcotic detection canine named "ZANA" at the U. S. Postal Inspection Service, McAllen Domicile,

McAllen, TX. L. Martinez, Canine Officer, with the U. S. Border Patrol Service, handles "ZANA". "ZANA" is certified by the standards of the U. S. Border Patrol Service Canine Enforcement Program. As a result of "ZANA's" past alerts, there have been numerous drug and drug proceed seizures. "ZANA" conducted an exterior examination of the above-described parcel and strongly alerted to the presence of narcotics in the aforementioned Express Mail parcel.

8. Based on the facts set forth in this Affidavit, your Affiant believes there is probable cause to believe that the aforementioned subject Express Mail parcel contains narcotics, narcotic paraphernalia or proceeds from narcotic trafficking. Your Affiant, therefore, seeks the issuance of a search warrant for the seizure of this parcel, and the contents contained therein and any other evidence, fruits of crime, and instrumentalities, in violation of Title 21, United States Code, Sections 841 (a) (1), 843 (b), 846, 853(a), and 881 (a) (6).
